1-3 April 2022

Preview (upon invitation): 31 March 2022

Fieramilanocity, Milan | Booth A113 – 121

Mazzoleni is pleased to announce its participation in **miart 2022** within the “**ESTABLISHED**” section.

The project highlights the experimenting complexity of Italian and international artists belonging to **different generations** of the **twentieth** and **twenty-first centuries**. This heterogeneous project is characterised by a plurality of visual languages, ranging from photography and painting to collage and light sculptures.

The last century saw the birth of several key **avant-garde** movements that dominated the Italian art scene. In Italy, the **post-war period** was especially characterised by a revolutionary approach to painting, which led to the development of innovative artistic experiences through new languages, techniques, and unconventional materials.

On display are a group of works by leading representatives, such as **Lucio Fontana**, **Enrico Castellani**, **Piero Dorazio**, **Alberto Burri** and **Agostino Bonalumi**.

A focus on the **international informal art** evokes the creative energy of post-war artists, such as **Victor Vasarely**, **Hans Hartung** and **Georges Mathieu**.

The project will also feature **works by contemporary Italian artists**, including **Gianfranco Zappettini** (whose work is currently on view at a solo exhibition at the Turin gallery until 7 April 2022) and **Marinella Senatore**. A solo exhibition by Senatore will be presented at the London gallery starting from June.

On the occasion of miart, on **Friday 1 April at 5pm**, **Marinella Senatore** will receive the “**Segno D’Oro**” Award (“Gold Sign”) from Roberto Sala, Editorial Director of the “Segno” magazine, at Mazzoleni’s booth. The Award is periodically given to artists who stand out for their original research and practice.

**MAZZOLENI**

Mazzoleni was founded in Turin in 1986 by Giovanni and Anna Pia Mazzoleni as a natural evolution of the private collection they started in the 1950s. Since 2014, the historic Turin space has been flanked by the London gallery in Mayfair. Over the past three decades Mazzoleni has organised solo and group exhibitions of more than 200 prominent Italian and international artists from across the 20th century with an exhibition programme focused on museum-calibre Italian art from the post-war period and recently the contemporary panorama, working in close collaboration with artists' estates and foundations. Under the leadership of Davide and Luigi Mazzoleni, the gallery has intensified its international activities, participating in numerous art fairs, including Art Basel (Basel, Miami and Hong Kong), Frieze Masters (London), TEFAF (Maastricht and New York) and FIAC (Paris).
